

QLogic Rewards Program

The Power
to Take Your Business
To the Next Level

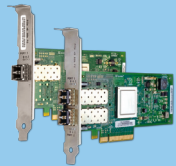

Program Date | January 01 – March 31, 2010

Switches &

Adapters

MEAN **CASH** FOR YOU

Sales Representatives and System Engineers are **BOTH** eligible for these programs!

Selling QLogic Switches and Adapters means money for you!! QLogic has brought back its SPIFF program for sales representatives and engineers! Sell our switches and adapters and make SPIFF money doing so. **This includes QLogic products branded by Sun™, EMC®, HDS®, and HP®! ***

Once you've signed up, simply register your sales online and we'll deposit money into your debit card account. It's quick, it's easy, AND you get your rewards FAST!

Terms and Conditions

Only QLogic Signature Partners qualify for the rewards program. One Sales Rep and one Systems Engineer are eligible per sale, and each individual must enter claims online for consideration within 45 days of the sale. Each submission will be reviewed for approval within 2-3 business days of receipt. Incentive payout will occur approximately 45 days after approval of submission. To check on the status of a submission or approval, visit www.qlogicrewards.com or send an e-mail to qlogicrewards@mtcperformance.com. Please refer to the product lines in the tables of this flyer for a listing of eligible products. A complete listing of all eligible OEM part numbers can be found on <http://connection.qlogic.com> or www.qlogicrewards.com. All products must be sold through an authorized QLogic distributor. For a complete listing of QLogic authorized distributors, please go to <http://connection.qlogic.com>.

Branded products from EMC, HP, HDS, and Sun must also be purchased from an authorized QLogic distributor to be eligible. QLogic products purchased directly from EMC, HP, or Sun will not count towards this promotion. For Sun, HP, HDS, and EMC SPIFFs, please see the QLogic Connection web site for details.

For additional program details, please contact your local QLogic Territory Account Manager, e-mail us at reseller@qlogic.com, or go to <http://connection.qlogic.com>.
